“ *I just now heard about Phoebe's passing. My heart is full for all of you. I loved her dearly and have such wonderful memories of her. She was a truly virtuous, Godly woman. It is a peaceful feeling to at least know she is in paradise with our Savior. God bless all of you, and I will keep you in my prayers that you will be strengthened. With all my love, Debby*

*“ Dear Charlotte and family,
I am so sorry to hear that we have all lost our dear Phoebe. She always provided a loving, deliciously fun second home for me so many years. My memories of her are fresh and she will be forever young in my heart. I pray that you will be able to find comfort in some of those same memories. I know you have comfort that she is with the Lord and at peace. What a joyful day we will have when we are all united once again! Until then, know that my prayers are with you all and that you were well-loved by one of the very best while she was here.*

“ Dearest Ones,
I can share your pain having a loved one not be with you, is almost unbearable, but I know she and Betty are laughing and helping the Angels sing as I have heard them sing all my years at Our Church and all the funerals.
I don`t have to tell you to lean on the Lord you know that, lean on your Church family for support, love and help. Gods blessings to all
I love you and cry with you

“ I am so very sorry for your loss. Phoebe was a wonderful person; full of wisdom, love and laughter. I always enjoyed our "little visits" when we would see each other out and about. Charlotte, God will give you the extra strength that you need during this time of sadness in your life. Take joy in knowing that she has no more pain and just think of that joyous reunion with her sister, Betty. Please call me if there is anything I can do for you, Kelly or any of your family.
