“ I am 15 years old my name is Chase Sutton Mrs.Blackshire was my preschool lunch lady at wonderview and she always was super kind to me I was real little so I don't remember much but I do remember some. Every so often she would come to a ball game and I'd sit with her and we would talk about hunting or something I was interested in I wasn't sure she passed till now which I am heartbroken that I couldn't make her funeral..
