“ *Carma and family,
I am so sorry to hear about Randy. He was one of the best parents I have ever had to help with students in my classroom. He never failed to show how much he loved his children and when he became a Grandfather you didn't need lights in your house anymore, he glowed with so much pride. He will be greatly missed. You and your family will be in my thoughts and prayers.
In Christian love,

He was always so good to me when I got pizza's...when I worked at TJ's was always so nice when we had to borrow stuff from you...always nice, always joking...I will always remember that about him...even if the day was bad, he would have something funny to say about it...he will be greatly missed!
