“ Sharon and Glenda Joyce, I saw Ravenell before mom died and I was so impressed that she had every marble, bless her heart. You two and your dad and she are some of the earliest memories I have before I was 3. Your mom was a wonderful lady and I still think about her daily as I pull out of my driveway and see her house. I would love to come to a service for her but getting out and about is not on the menu right now. Maybe after this pandemic settles down we can have a memorial service for her. You have my love and sympathy and prayers, you were fortunate to have her for so long. God bless.

“ Sweet lady, I don't know what the name of it was, she called it Apple Pie, a crust, sliced apples, some type filling, and kind of a crunchy topping. Sure was a good snack, when it was hot weather, we were hauling hay, and she brought it to us, still warm from the oven. May God be with all of you.

“ So many days both breakfast and lunch I always got sugars and a hug . The last time I seen her a few months ago, I gave her sugars when I came to visit, she looked at me and said " Now who are you?" I said I'm Michelle , I always gave you sugars, she then said well good I'll take more.. she always knew me until that last visit but her eyes still sweet as always and she still wanted my sugars.. Ms. Ravenel it was an honor to know you and you were a blessing..
