“ *Dear Freddie, Marilyn and Becky. Again, I was very sadden to hear of Stubby's death and extend my sincerest condolences. I enjoyed the time he spent working for me at Morrilton Funeral Service. He was the epitomy of a husband and father and a very dedicated funeral director. His service was very fitting in all aspects. I could tell everything came from the heart of those involved. Please know I will keep you in my thoughts and prayers.*

“ *Becky,*

*Words cannot begin to express how sorry I am for your loss. My prayer is that God will bring you special comfort during this difficult time.*

*You may not remember me but I coached basketball at MJHS in the early 70's when Tommy was also coaching. I believe you and your parents were our neighbors at one time when we live near Southern Christian Home.*

*Please give my condolences to your mother and the rest of your family.*

“ Dear Mrs. Stubblefield and family:

*Please accept my sincere condolences upon the death of your husband, father and grandfather. Mr. Stubblefield served our family upon the death of my grandparents, Henry and Etta Barnes, and for other loved ones. He and Rob came to our home about midnight in 1973 when my grandmother died. (I am from Center Ridge. My parents, who knew Mr. Stubblefield quite well, were Curtis and Maxine Barnes).*

*As a child, Mr. Stubblefield made a deep impression on me as he conducted himself with dignity at the services of my family. Perhaps the impression he made on me as a small boy helped inspire me to enter the profession.*

*You are in my prayers.*
