“ *Raymond or Abe as I called him a lot was one of the best friends I had. He was always there for me when I needed to talk to him or if I needed a favor from him. I was always there for him too. He was a wonderful kind respectful man. I worked with him from 1979 until he retired. My condolences goes out to the family. Raymonds departing is a great loss to me and many others that got to know him over the years. Hes' gone but not forgotten.*
