“ *We have just learned of Becky's passing. She and I went to grade school, high school and graduated together. Becky was a Wonderful and Caring Person her entire life! I always enjoyed running into her and talking/visiting with her. She will be greatly missed by all who knew her, she was that type of person. We will keep the Tucker family in our prayers and ask for GOD to keep His Loving Arms around the Family during this time of loss and sorrow !*

“ Becky was a wonderful friend and coworker. She enjoyed teaching PES students and loved all of them so much. She would keep us laughing with her witty comments and hilarious shenanigans. She was such a caring person that helped both students and staff during difficult times. Becky's friendship is such a blessing that will remain in my heart forever and fill my mind with great memories. Continuing to pray for Gary Paul and family. May the Lord comfort you all in the coming days and bless you with sweet memories. Love, Sandra Adams
