“ *I was very sorry to learn of Dick Bowen's death. I have known him all of my life. My brother Max and sister Marijo were good friends of his and his family. His mother and dad were close to my parents. His father served with my dad in World War I. He was a wonderful person and I know that he will be greatly missed. I wish that I could be home for his memorial service. My heart goes out to his family.*

“ *I was shocked to find about Dick's death, two months!! afterward. The Bowen family, especially my immediate group, has never been close, but I would hope that I would be told sooner. Dick and I had some good visits in Perryville when we were kids, riding horses, swimming, staying away from the water moccasins, and raiding his father's soft drink cooler at the family store. I am very sorry to hear about Dick's death. He was about a year younger than I am--much too soon for him to go. Best wishes to all his family.*
