“ *Barbara and I came to Morrilton with the new Arkansas Kraft paper mill in late '67 or '68. We need some new friends in our new town, and Dick became one of them. He befriended me and Barbara showed us around town and introduced us to some of this friends. We got to know each other and enjoyed each other's company.*

“ *Very saddened to hear of my friend's departure from this journey. Dick was one of the first to offer himself as a friend when I moved to Morrilton in 1965. We enjoyed many quail hunts in Conway & Perry Counties until there were hardly any quail..not that we were the cause. Also enjoyed countless rides on our gaited horses. Most admirable quality I will always hold dear was his unhesitating quickness to give testimony about his personal relationship with Jesus Christ. I will miss phone and personal visits with my friend. God Bless the family. Jim Williams*
