“ I'm so sorry for your loss.. Ricky is a good ol boy "Man" that would help anyone. He would sing old songs that I'd never heard. So nice and polite never said anything that a man should never say in front of a woman and kid's, I'm sure he did but I never heard it. We always ask why the good Lord would take the him or her it's because he only wants the good "best" people with him and Ricky was the best. I think everyone loved Ricky I know I did and still do... Save a place for me my friend and watch over us all.

“ Rickey was always smiling and laughing! I met him even before I met his brother Danny! He always treated me like an old friend. After I married Danny and Rickey became my brother in law - he always joked that he was my favorite brother in law. I will miss many things about him including my lottery tickets for Christmas. He always made time to come to the house and see us at Christmas and he and Danny would play some guitar. We always said I love you to each other when we parted and I'm happy we got to say it one last time recently.

I'm sending prayers and love to everyone!

“ Rickey was my brother in law for a short time but I have always looked at him as a friend. With Rickey's loud, boisterous personality he constantly made everyone around him happy and laughing...he will be missed terribly by so many. Love you Rickey, keep smiling!
