“ My family and I send our most sincere prayers and condolences to your family. Rikki was such fun as a child and I'm sure she grew up to be a fine woman. Our parents were all childhood friends and their loss weighed heavy on my parents. My hope is you can find peace in knowing Rikki is reunited with her parents. May that peace which passes all understanding be with you.

“ I work at UAMS and first came to know Rikki as my patient. Since I live in Perryville, we had many connections and much in common. I will always remember her patience when nothing went as it should go and her deep and constant Faith that kept her strong when most would have given up. She remains an inspiration.

“ *Although I did not have the chance to get to know Rikki as well as I would have liked to - she was an awesome person - in my book - it is a great comfort knowing that she knew where her life was going - after this one was over - I know the family will miss her greatly - and my thoughts and prayers are with each and every one of you!*
