“ *Rita, I am going to miss you so much! I took care of Derall and then I took care of you. We had so many good times and a lot of laughs together! I am so lost without you being here for me to talk to you and see you everyday! You adopted me and my family as yours and we adopted you into ours. We love you and we're going to miss you so much Rita! Rest in Peace my friend! We love you! Dale, Tonya, Nathan, & Savannah Thomas*
