“ When Rita and I were little we spent a lot of time at Her house and mine. She always had so much energy and made me laugh so much. It's so sad she is gone and my heart goes out to her mom, brother, especially her sons. She was one of the best parts of my childhood. I will never ever forget her and I hope she knew just how much I cherished those days. She may be gone but will never be forgotten. May she Rest In Peace and Love until we meet again.
