“ To all of Robert's family, Robert was like a little brother to me. We were raised up together from the time I was 8-9yo. went to school together and were great friends thru our adult years. Robert was a good person who had no bad will toward anyone. He was a true friend who could be trusted no matter what. I will miss him more than I can express in words. Our prayers and thoughts are with the family during this time of loss. God bless you all.
