“ My dear Uncle Bob. I remember when I was young and still have pictures of our birthdays. My birthday was the 5th of May and his was the 9th. We would have a cake that said happy birthday Jamie and Bob. Those were good times. You're truly missed uncle Bob. Love you.

“ I met Bob the summer of 1968. He was marrying my cousin Diedra, at the time he owned a model car called the Barracuda and he drove it fast around the hills of Thornburg, he had us girls screaming. Of course the song Barracuda by Heart was on the Radio, we became friends every since. You will always be in my heart Bob XOXOOO.

My sweet cousin Bobby was always there for his family. Every time my mom or dad was in the hospital or sick he was there. A Godly man who was loyal to his wife and family who I'm sure was welcomed at the pearly gates hearing "well done my true and fateful servant." You will be truly missed.

Bobby Corder was a very special person. He always had a ready smile and used it when he made his rounds visiting the home bound. Mom always looked forward to his weekly visit. He kept her up to date on the news of the town and especally family news. Visiting the home bound was his calling and he did untill his health prevented him from continueing.

Bobby will be missed by his family and friends. God called a good and faithful servent home and ended his pain. Prayers for comfort and strengeth will continued to be said for his family.
