“ Robbie,

I'm so sorry I could not be at Mitch's visitation or funeral. I did not read the obit until Wed. nite and we had Donald's cousins' family visiting us the next day. Otherwise, I would have made the 3 hr. trip to Morrilton to see you and John Dean.

Your dad was a local treasure in Morrilton and Conway County. The man had a remarkable memory, sense of humor, and gift of story telling. It was always fun to be at your house and listen to him. It was a comfort to me that he lived so long - very few are left who remember us as 'children'. I believe he was in the same retirement center as Mary Dale Laux, my sister's mother-in-law in Conway. I think George visited with your dad this past winter when he was there seeing his mother.

I spoke with Sue. Her son Steven and his daughter Danielle flew in this week for a long overdue visit to AR (been over 4 yrs) and she was unable to come to see you due to that company.

Please know that we have walked a similar path with our own parents and our prayers are with you.

Hoping to see you one day before we're too old to remember! Oh, yes, if you're on facebook, check out Remember Morrilton facebook page. Some nice words about your dad.

“ I am so saddened to hear of Mitch's passing. He was always such a joy to be around. I loved hearing his stories; he loved to tell the story of saving my life when I was a little girl choking on ice at Mom & Dad's cafe. Mitch has earned his reward and is now an angel watching over his family and friends. May he rest in peace.
