“ *We loved you dad and now your with mom watching over us. Give her a hug and kiss for us and we will see you both someday. We were so blessed to been able to care for you both everyday. We made lots of special memories. Thank you for loving me like I was your own child. And for giving me such an amazing husband that his love for me is a reflection of the love that you gave to him. We will miss you but will see you someday in Heaven. 🙏*
