“ Dear Lois, Tom, Martha and David, I want to let you know that my sympathy is with you all with the passing of Mr. Carlon, as I always called him. I will never forget the memories I had when we went fishing at Lake Tenkiller on your pontoon boat. We were all catching so many white bass that we had to use a trash can to put them all in. My childhood memories of the wonderful times our families shared and the role model Mr. Carlon was for me will always remain. My prayers are with you all.

“ Our office in Conway was sorry to hear of Mr. Carlon's untimely passing. He was an always joyful and expectant patient of what life had for him. We always had to ask a second time if he was truthful on the "age" thing, as he seemed younger than his years. Our prayers and sympathies are with your family .

“ Lois and family--
It has been "years" since we saw "you guys" but whenever we reminisce about "College Terrace Days" --you are all fondly remembered...And of Tommy and the Church Fast Pitch Softball team...
May those and many more memories bring you comfort and the knowledge that many have you and your family in their thoughts and prayers with Rod's passing..
