“ Ron,  
*Like a butterfly you are now free to roam peacefully. You are one of a kind...never ever will there be another like you ..i have lots of funny stories to be shared that will keep everyone on the edge of their seats laughing for hours. When I started in law enforcement (dispatching-1990) you were a county deputy. You worked your way thru....city pd, medtech, oppelo and ended up dispatching right there beside me. Boy could you snore!!!! And who has ever seen a police officer drive behind a girl leading a horse down the highway with his blue lights on??? I have so much that i could say but You already know how special you are to me, how much i care for you and what a great friend you are to me. Its time for you to rest those OLD bones now my friend. I love you and will see your crazy self one day.*
