“ *Ronnie will truly be missed. He was a great man to all in the community. It was an honor and blessing to know him. To all of your family I am truly sorry for your loss. There is a big hole that Ronnie left that no man will be able to fill. But just remember god has Ronnie in his hands and we know we can see him again on the other side. But I still miss him. Praying for comfort to all his family and friends.*

“ I first met him back in 93 up here at Scotland playing music and having fun. He and I worked together some cuttin cedar posts for Rommy Acton. He was caretaker of Liberty Springs Cemetery and did the job very well. When my Son Mike Redmond jr was buried there in May 2017 Ronnie told me he would take good care of his grave. I told him I know you will. I will remember Ronnie for the rest of my time here on earth. He will be missed in this area for sure 🙏❤️ . Mike Redmond Sr.
