“ I remember when i met Ronnie. He was coming home from what we will call a forced vacation. He was very funny and cute. Just a fun person to be around. He was always joking around. I had a pair of black shoes, about 3 inches that i wore a lot. He would make fun of them. He thought they were the ugliest shoes he ever saw . Sometimes he would stop by my house before he would run The Little Debbie route. Always likeable and became a good friend back in the day. He will surely be missed
