“ Dad had a nickname for the kids and mine was "Brick" , I am not sure why he named me that, but maybe it was because of my hard head like a brick. Needless to say, I am my father's son. My dad was a great guy, there was one thing that I always knew about him, is that no matter when or what if I called on him and he would be there.

He loved me very much along with Kodi his grandson. He taught us so much, I will miss him greatly!

Ronnie Kendrick "the best dad ever".

“ How do you say goodbye to someone who had so much influence on your life? I haven't figured that one out yet, so I'll say I love you and I'll see again instead of goodbye. Until we meet again, I love you Dad.
