“ Lowell, Mona, and Tracy, I am so sad to hear Rosie passed away. She played an important role in my life as a kid sleep over after sleep over; home away from home. She had a sense of humor yet was steadfast. Did someone mention her biscuits & white gravy? ... OH my!! I have such fond memories of those days. She will live forever in my heart and mind. May you find comfort in God's love during this very difficult time. Thinking of you all and lifting you up in my prayers. Karen
