“ Anna, Chris, and Marc,
Although I never met your mother, I feel like I knew her because of your Dad. When we were young, back in 1957 or soon after, my parents came to the Arkansas Bible School, along with our Grandmother (Mary Rebecca Leonard Edwards) and we 8 kids. We came on the train, and arrived in Morrilton. My Dad, Merrill Montgomery Edwards was a cousin to Garner Williams. He, Anna, and your Dad (Leonard) met us at the train station, to give us a ride to the Bible School. I will always remember the sharp old car that Leonard had, and how fun he was. He took us older kids, while my parents each took some of the younger ones, with Garner and Anna. I think it took 3 cars to haul all of us but I was one of the lucky ones that got to ride with Leonard. We thought it was the most fun! I remember your dad with so much love and admiration. I didn't see him after he was married, but through the family, kept track of him, your mother, and you kids. I just want to tell you how much I feel for you and how sorry I am. Through the many letters my Grandmother received from your Grandmother, Anna, I feel I knew your mother in her younger years! Please know how much she was loved by all who knew her. My sympathy and prayers go out to you all. Ginger (Edwards) Cooley
