“ *Rose was my grandmother . Not a day goes by I dont think about her. She was a great person to know. Never afraid to let you know how she felt. A strong woman inside and out. Had many friends and family members who loved her and cared for her. She may be fine but is never forgotten to those who adored her. Love you grandma wish we had just a little more time together here on earth because we weren't ready to let you go.*

“ *It's been 9 years gone by now. I got 22 years with you before you passed. I wouldn't trade it for nothing. Just wanted the boys to be able to know you and you take them fishing like you always enjoyed doing with your grandkids. Gone but not forgotten. I feel silly writing this on here not like your ever going to read this but people will see I wrote this on here for you is what counts I guess if anyone even looks at it anymore. We miss you big ! One of a kind woman she was*
