“ June & Michael;

Both our hearts are with you at this time. I am so very sorry for your pain upon losing Roy.

it was so good visiting with you both at the nursing home while Roy & Mildred were residents there.

I'll miss our visits, & know we are thinking about your family fondly.

“ June and Family

I have some very fond memories of Roy and you and Danny and Mike. Of course the other boys were not born yet during the period I am thinking of. I am mostly thinking of when Mother and Shorty lived on Rock street in 1960-61-62. Roy and you were very good to me. I will always remember Roys expert mechanical ability, he could fix any engine. I also remember you were always the very perfect lady. Thank you June for your perserverance and never giving up

“ *Words could never express the feeling you have when a loved one is suddenly gone. There is a hole that is left in your life and hearts. But believe me when I tell you that over time the memories of times past, with him, will start to fill those empty places you have in your hearts. Talk about Roy and the good times you all had together. It will be hard to do so but it will also be comforting. I will keep all of you in my prayers.
