“ *Rozana was one of my students when she was in third grade. She never failed to come to class with a smile and a hug for me. I absolutely adored her and was so proud to see her shine in the restaurant business. I am heartbroken for your family. You will all be in my prayers.*

“ I don't know where to begin with the memories I have of this gal growing up...from bottle-rocket fights to making swing-set forts to playing hair salon with the water hose #country But she's a main character in my childhood and I'll never forget her
