“ *I'm at a loss of words on the sudden death of Russell. My thoughts and prayers are with his family, UAMS coworkers, and friends. I worked with Russell on several IT projects at UAMS. He was always so easy to work with and good-natured. He had a catch phrase that we'll forever associate with him... "I'll get that done by lunch."*

“ Strength to you for knowing he is with the lord. I will miss talks of kids and wives. Perry and Kyle were the same age, we talked of their similarities. Russell was proud also of Brian in the military and his accomplishments. Eunice and Tammy had many similarities it seemed. I will miss tasting his culinary accomplishments (the gumbo was great). May god bless and comfort all of you. I will have fond memories.
