“ *Ruth helped nurse my grandmother in her last year of life. She was a loving, cheerful caregiver and our family will always be grateful for her assistance in our time of need. Love and prayers to Ruth's family at your time of sorrow.*

“ *I have known Ruth my entire life. As a child I remember quilting parties with my mother and grandmother. My sister and I would play underneath the quilting frames. She was always such a pleasant person. Always one to put others first, she will be missed by so many. My family prays for Guy and his family, I know they will miss her dearly.*
