“ A tear in grief is simply the expression of joy in remembering. I know too that there is never a good time to say this temporary goodbye.

Ruth loved and was devoted to her family and yet always had time for others including me. I was blessed to grow up live as an adult showered in her kindness, love and support. I can't be there with you today so I send my love to you all. Jeanie (Plants) Harding & family

“ Ruth was one of my favorite neighbors, I will miss her. She was keeping track of births and deaths in Houston; I wonder who will take this over for her, hope you will let me know. God be with you all.

“ Our thoughts and prayers are with all the family. I know that Ruth was a faithful Member of the Assembly of God church here in Houston for many years. We have heard many good reports of Her life and dedication to the Lord and this church since becoming pastor here! May God comfort and Bless all of you!

“ Darryl, Phil, and Patsy -
I am so sorry for your loss. Your mom was always so good to me, despite my apparent best efforts to corrupt Darryl.
