“ *Linda & family,
My family would like to express our Sincere Sympathy on the loss of Samantha. She was a Wonderful young woman that had much Love to give and was so Special. I have enjoyed being friends with your family and watching her grow over the years going thru her own Journey in life as a Mother. God Blessed her with two Precious children to carry on her Legacy for all to love & enjoy. That part of her will forever keep her Memories alive within your Hearts. If we can do anything, please let us know. God Bless all of you.*

“ *Samantha was always a loving person capable of always finding some silver lining of good even the darkest clouds. She always tried to believe that everyone, no matter what, was capable of having some good in them somewhere. She could make the most depressed soul smile simply with a giggle and grin. I miss you, Sam and will always love you...you were always family to me no matter what!*
