“ Sandra was a classmate of ours from St. Joseph who graduated in 1968. In my communication with her after graduation through emails I know she became of lover of Jesus Christ and very active in her life in Him. It was a shock to hear of her death but I know she is with the Lord and look forward to seeing her again. I had heard about her death but it is only now that I found her obituary after communication with some of our classmates. See you in heaven Sandra and all those who knew her can be assured she is in glory beautifully happy with perfect peace.
