“ *I met Katie in 2015 when I joined the Pinnacle Piecemakers quilting group in Little Rock AR. I enjoyed the time we were able to visit and she was always friendly and willing to help with her opinion on colors and how I was doing as a beginner. I am in Arkansas only 3 months of the year so we didn't get much time to get to know each other but I will miss seeing her when I come back for the winter. My thoughts and prayers are with her family.*

“ *No truer friend than Katie! I had the pleasure of attending K-12 with Katie at Bigelow. Following High School, Katie never stopped writing me. It didn't matter where I lived, she would always ask for my address and hand write me a letter 2-3 times a year. There is something about reading a hand-written letter from someone that makes someone feel extra special. I will miss the letters from my friend! My prayers are with the family.*
