“ I met Scott in 1993, shortly after I started working at Molex. We worked closely together for many years. He was always a good friend, and very supportive. I shared many great times with both Scott and Tam. I regret that we have not seen each other in a very long while, but that does not diminish the value of his friendship. May Tam, Jonathan, his entire family, and his many friends find peace and joy in fond memories despite their grief. I will never forget you, old friend.

He truly valued your friendship, despite the years we hadn't seen each other. I don't know what I'm going to do without him.

“ We set up a GOFundMe account to help offset funeral costs as Scott had little life insurance to help his wife and son.
