“ *Sharon was my first boss at Southwestern Bell in 1976. She was a great boss and great friend. It was a great year and a half working for her, and more importantly having good times with her on a social level. We lost track of each other over the years but was able to reconnect by phone in the last year or two. And am grateful for that. God bless her and her family.*

“ Aunt Sharon was a beautiful person with a huge heart. Although we were not related by blood, she always treated me and my children; Raven, Troy and Grace Dodson like family. We will miss her.

“ Jim and family, I am so sorry to hear of the passing of Sharon. She was a wonderful lady who I enjoyed getting to work with and know even if but for a short time. She was a fighter and never gave up. I feel blessed to have known her. Prayers to the family in this time.

“ Sharon was a larger-than-life, one-of-a-kind person. If she counted you among her friends you had a real friend. And that laugh! She will be missed.
