“ *I will always carry with me such fond memories of Sheila and our times together. We had been seeing each other since we were little kids. She was such an easy person to be with. I will miss knowing that she is near me in Arkansas but know that she is safe with our Lord in heaven. God bless Mike, Kyle, Signa and all the family.*

“ So sorry to hear of Sheila's illness and homegoing but thankful she knew the Lord. She and I were very close in high school and I have such good memories of those days, especially of the elective home economics sewing class we took together. I remember that for the final exam we had to make a skirt in three hours. We had lost contact over the years but only recently had found each other on facebook. My prayers are with you at this time.
