“ *Simply put, Sheila was a joy. She always had a smile on her face and a funny story to tell. Her positive, sunny attitude drew so many of us to her. She was someone you could count on. Her love for and pride in her children and grandchildren was deep and true. I know many hearts will feel the void left by her passing, mine certainly does. My sincerest sympathies are extended to her family, her work family, and especially her son and daughter in law, daughter and son in law, and grandchildren.*

“ Terribly sorry to learn of Shelia's passing. Although I had not seen her in several years, I was around her alot during our high school years at Wonderview. She was such a kind soul with a GREAT sense of humor. Condolences to the family.

“ *I don't have the words to tell you how much I loved Sheila, but I hope she knew. In the past 10 years, I was privileged to work beside her and call her my friend. We vented to each other, I could tell her anything and it would stay between us. I suspect she's was the keeper of many secrets because she was that trustworthy person. We traveled together for work and sometimes just for fun, our adventures took us to other states for conferences, on boat rides and ghost tours, etc. She had such a great laugh was quick witted and fun to be around. We'd spend hours talking or bragging about family and she loved her parents, in-laws, especially her kids and grand kids. I'm going to miss her so much! My love and prayers go out to her family during this most difficult time. If you need anything I'm only a phone call away.* ”

“ *Sheila was a joy to work with. She was dedicated to her job, but she also liked to have fun. I admired her loyalty to her family and friends. Even now, as I think about her, the thing that comes back to me is her laughter. She brought joy to those around her. I will miss her greatly!*

“ *Sheila and I have worked at the college for the same number of years. Although our paths didn't cross on a regular bases when they did she was always a joy to be around, met you with a smile and a kind word. She had that personality you just enjoyed being around. I'm sad to think she will not be here and part of our family at UACCM, but then I think of the joys she must be experiencing there in Heaven. My Grand mother used to tell me as little boy, "Oh son someday there will be a great reunion day" As a youngster I didn't understand, but then over the years of losing so many that have meant so much to me that I understand what she was saying. those that have gone before us will be there at the gate waiting to greet us. Sheila will be there with that smile, what a reunion day that will be. She will be missed!*

“ *In her 21 years of work at UACCM, Sheila made an impact on too many employees and students to count with her kind and friendly nature, time spent helping with student events, and donations to scholarship funds and the food pantry.*

Many prayers for family and friends for peace and comfort.

We will truly miss her!
