“ Sherry and I were friends starting in the fourth grade. She was always fun and happy. She could make you smile even when you didn't want to. She will be greatly missed. I am so grateful to have had the privilege of being her classmate and friend. My prayers are with her family for comfort and peace.

“ *Sherry and I were buddies way back. We worked together at Alco while in high school, and we ran around together on the weekends. She was always a fun, sweet, and wonderful person. This makes me so sad!*
