“ *What a precious lady Ms. Shirley was. We met her when she was in rehabilitation. She was my mom's roommate. They instantly bonded and she would look after my mom. It was the most precious thing. We grew to love her . If brought mom something I would bring Ms. Shirley one too. We have been trying to get in touch with her and just learned of her passing.*

Prayers for her family and the ones who knew and loved her. ☐ 🙏
