“ *I received word yesterday that Shirley had been called home to Heaven. I was sad to think how much those of us who have known and loved her will miss her sweet smile and caring spirit, but, I also realize how much she missed Joe and longed to be with him again. We are told in the Holy Word that those that are saved by His marvelous grace, when absent from the body ,are present with the Lord. What a great comfort to know where Shirley is today. My condolences go to you, Donna, Buck and all the family. Prayers for peace and comfort during this difficult time. She will be greatly missed, but we will be reunited one day.*
