“ Rob, I was so sorry to hear of Shirley's passing. She was a very kind, caring, and compassionate person. I will never forget all the support and kind words she shared with me while Mark and I were going through those difficult days with Mom and Dad. She was such a sweet lady. She made it easy for anyone to talk to her. I will miss her!

“ Our heartfelt sympathy is extended to the entire Hill family. What a tremendous loss; to her family and the community. Our thoughts and prayers are with you, as God alone can provide you with the strength to endure.

During the time that we lived in Perryville, Shirley always made us feel at home and at ease. Her mere presence brightened the room, but her smile touched your soul; a true gift to all that knew her. She was a very special person.

We share in your loss.

“ Rob and family, we are so very sorry for your loss. May God give you and your family the strength to bear this burden. God tells us that he won't burden us with more than we can bear, although sometimes we feel as though we can't carry the load. God must have needed a beautiful new flower for his bouquet. Cherish your memories. Allow your many friends and family to help you through your sorrow. Our thoughts are with your family.

My family is very sad for you and we are praying for you.
