“ *Shirley's family: I am so sorry to hear about Shirley, but she is in a better place and she doesn't have to suffer any more. I will be praying for all of you. We had a lot of fun together as we were growing up and went to school together from the time she came to Bigelow school. We played basketball and when we went to an away game, we would hurry to the bus after a game so we could get a seat toward the back. She and your dad sat on the seat behind Paul and I. I have a lot of good memories of her and the good memories of her that you have will help you through this time of sorrow and the days that lie ahead. Just trust in the Lord and he will see you through. With Love, Zoann*
