“ *A lot if memories come to mind, but the one that sticks out is Shirley and all the other wives and mothers watching us team rope at the Hattieville Community Building. Usually it was hot, dusty, and smelly, but she was there and having a good time.*

Prayers for Dub, Terry, Greg, Nancy, David and the rest of the family.

“ *Family, I am so sorry for your loss. I've known Shirley And her family all my life, but I really got to know her while working at school. When we needed volunteers for anything, book fair, splash day, whatever, I could always call Shirley and she would come. She loved those grandkids. She also was so good to help the ladies at our church when we were feeding a bereaved family. Getting food ready and serving. May God bless you with His peace and comfort your hearts. Much sympathy, Billy and Sherry Dunn*
