“ Lois and I are pained by the anguish we know you feel from the loss of your little girl. It is unfortunately a pain we know all too well. Taylor and Keelie will always know that they have a sister who is an actual angel. There are no words. Your love for her will never ever diminish. And it is that love that I thank God for. Your perspective on life just changed, and the daily little stuff will never affect you as it may have in the past. And, your lives will be blessed, I know this. Our deepest sympathy.
