“ *Dear Monica, Louis, Phil & Nick, We were saddened to hear about your mother's passing. She was a very special woman and we are certain that heaven received a very special "mom" angel the day that she passed away. My heart aches for you and your family as you cope with your loss. I know the loss comes with many layers of heartache and it will take time to adjust to her being gone; losing a parent takes time to process. You are in our thoughts & prayers. Sincerely, Maryann & Patrick Mulvihill*

“ *Taking care of Stella was sometimes challenging, but I wouldn't of changed it for the world. She will be forever missed. Prayers and thoughts are with the family.*
