“ Kim, I knew Steve growing up, he was my cousin Mike's best friend and so I was around Steve as well. He loved the outdoors back then, he and Mike and their buddies would go camping and other things so this weekend I went out and got a bunch of trees and planted them in my yard. I couldn't think of a better tribute to someone who loved the outdoors.  
I wish you and your daughter all the best during this difficult time. My son Jonathan McClure has been very worried about you and Emily, so please, even if you don't know me, feel free to call on me if you need anything. Steve was a wonderful man, and my family and I would be glad to help you and Emily in any way that we can.

“ Kim, Emily and family, love and prayers are sent to you during this time. Steve is loved for who he is and what he believed in, he is with God. A Great Man, I remember that sometimes in church he would say something and I would try not to laugh, but had to. Knowing that he is safe with God is a blessing. Your pain during this time of loss, I am so sorry. We are here for you at any time. You have so many people mourning with you, we love you.
