“ Rob, Kirk, and the rest of Sue's family,

*Sue was one great friend not only to me but to everyone. I can truly say that she loved life and lived it to the fullest. She cared so much for you,(her family), friends, and students. She was a great person. I came to know Sue when we both worked in the Paron School District. We sponsored the Senior class of 1993. We made many a trip to Sams in Little Rock to buy supplies for the concession stand. We had to eat while we were in town. She introduced me to Dixie Cafe. She stopped by to see me a few months before she got sick. We talked about going to eat at Dixie Cafe. I learned it doesn't pay to put things off. We need to stop and take time for things that matter in life. More than all this Sue loved and lived for God. Because of this we know where she is. She would want us to live our lives as so to meet her there one day. You are in my prayers!

“ We are saddened to hear about the loss of Sue. We knew Sue and her family when she and her sisters were growing up in Malvern some years ago. Seems like only yesterday that I helped her dad build fence around their place so Sue, Kathy and Kim could ride horses. Sue was a good mom to her boys and a kindhearted person. Our thoughts and prayers go out to her family.

“ My thoughts and prayers are with you during this time of loss. Sue was a wonderful teacher and Christian woman. After she began living at the Perry County Nursing Center we visited her there on a regular basis. I know that you are sad and miss Sue terribly, but there is comfort in knowing that she is in a much better place than we are at this time and that we will see her again soon.

“ Mrs. Cossey was a sweet and loving person. She loved her students and every student felt special in her class. She always had such a great spirit about her. I will always remember her beautiful smile and captivating personality. She truly was a great person and teacher. I hope that I can be a light in my students lives the way she was in mine.

Sincerely, Cole Cody (PHS Class of 2002)

“ *I knew Sue by way of professions. I was also a gifted and talented coordinator and got to know her through meetings we would both attend. I am so sorry for your loss. Sue was a very kind and compassionate lady. I know she has been in pain for several years now. One consolation is in knowing that there is no more pain and suffering for her and that she is with our Heavenly Father.*

“ Mrs. Cossey was one of my favorite teachers that I was privileged to have at Perryville High School. She was so creative with all of our lessons and how she ran her classroom. My favorite memory was our music selection we had for her class. We would always play songs during our assignments and while we were taking our tests. Enya was her favorite pick! I will always keep those memories and lessons she taught me close to my heart. Thank you! You will be missed!

“ To Mrs. Kirchoff, Rob & Kirk,
We're so sorry about Sue's passing, but know she is out of all her suffering. Sue was a good friend to us and our boys, Jeremy & Chad. She taught them to ride & instilled in them a passion for horses. She shared her horse, Nadaz, with them, so that they could ride at shows. She was a caring & compassionate lady. I know she'll be missed by a lot of people. We're glad we had the chance to know her. You're all in our thoughts & prayers.
