“ *Jeanie and family: So very sorry for this loss: you sisters were everything to one another and I know you shall miss her deeply. So very thankful for Susan's faith in Jesus; we can feel happy for her that she is resting in peace with Him. She was a fine nurse, taking excellent care of her patients. She was more than a coworker; a friend that is missed in our work family. Jeanie, your care for your sister has been a true testament of your love for her; you have truly been there for her through it all. We shall remember her sweet smile and quick wit as we cherish our memories of better days.*
