“ *Our hearts are saddened by the passing of Aunt Syble. I have many fond childhood memories of Aunt Syble and Uncle Joe from visiting their home and their visits to our home in Malvern.*

*May God grant strength and peace to the family as they cope with this great loss.*

“ *We had the privilege of getting to know Syble 10 years ago. We moved next door to her and Joe and we could not ask for better neighbors. They were both such a joy. Syble was a sweet and thoughtful lady that we enjoyed talking and visiting with her on her front porch. She will be missed but not forgotten. Love, The Lasowski's*

“ Aunt Syble will be missed. I remember when I was a little boy and me mom & dad would go to visit Uncle Joe & Aunt Syble. I remember playing with my cousins Scott & Tanya out in the backyard. Those were as they say "The good 'ol Days" I remember everytime we came to visit that I always wanted to go to that little store on the corner and get a chocolate drink. Which was one of the highlights of my visit.

Aunt Syble to me always seemed on the upbeat of life and always had a positive attitude. One thing I always did admire about my Aunt was that she was a strong woman. She was strong in her walk with the Christ. Which now she has gone on to be with. No more pain or sickness for her. She is now once again that strong and positive woman in a whole lot better place. Since I can't be their with the family on this day. My thoughts and prayers are with the family. My God Bless each one of you and keep you strong through this difficult time.

From my family to yours, God Bless.

“ Aunt Syble always made me feel welcome in her house and I loved going there. We were just bratty kids but she and Uncle Joe made an effort to entertain us and always asked us to come back. I will always miss her when I visit Arkansas and will remember her with love and admiration for her hard work and determination to serve the Lord.

“ I will never forget Aunt Syble! I loved her laugh, her happy demeanor and her love for her family! I can remember always wanting to go to "Syble's house" whenever we would go to visit Grannie and Grandad Golden in Hattieville. I so appreciate the beautiful service Minister Randy Rankin gave...it was so so very true of her, and of the family! May God watch over each and every one of her family and friends, and may He comfort us all in this time of our loss. She is home now, and I'm sure where she belongs.

“ I am so sorry to learn of Sybil's passing. We worked together at Levi's for many years. Sybil always had a smile and something to say. Heaven has gained another ANGEL.
