“ *I was so saddened to see of the passing of my friend Talmadge. My memories of him from our school days are so special.. He took me with him and his brother Steve to Morrilton bowling. with his dad as chauer. I often thought of him over the years and when I decided to research to find him. I found this. My heart just sank... Almost always my luck, a day late and a few dollars short!..Wish now I had researched to find him years ago...
My condolences to his family.
